

**PRELIMINARY REGISTRATION FOR THE
1ST MEDITERRANEAN SUMMER SCHOOL
FOR SUSTAINABLE DEVELOPMENT AND BIOECONOMY
THESSALONIKI GREECE**

9-12 July 2019

Perrotis College (Campus of American Farm School), Thessaloniki, Greece

We are glad to inform you that the 1st Summer School for **Sustainable Development and Bioeconomy** will be organized in Thessaloniki between 9 and 12 of July 2019.

The event is a joint Organization between:

- the Master for Bioeconomics www.bioeconomics.edu.gr
- Perrotis College (American Farm School), www.perrotiscollege.edu.gr in Thessaloniki and
- the Master on Bioeconomy in the Circular Economy – BIOCIRCE www.masterbiocirce.com

The major aim of this summer-school is to bring together young people and tutors from the Academia, Research, Industry and Stakeholders from the Mediterranean area and the Balkans.

Professionals, young researchers and students (Postgraduate level and above) will have the opportunity to present their interests and activities related to Sustainability and Bioeconomy in their countries and Institutions. Pregraduate can be accepted as attendants.

We are expecting the contribution of 50-60 people and the expected benefits are: (a) widening of knowledge in the hot area of sustainable development and its instruments like Bioeconomy; (b) to show of the regional character of Mediterranean and Balkan; (c) to network in a dynamic way and undertake common activity and projects; (d) to enjoy the Greek hospitality. The contributors will receive a confirmation of their attendance signed by the organizers.

The School is a self-funded initiative, and therefore a fee of 170 € (early registration) is required in order to cover local expenses such as the use of facilities, the welcome cocktail on

9th July; breakfast, 2 coffee breaks per day and a light lunch for 10th, 11th and 12th of July. Will also include a Grill party on Friday 12th July in the evening.

A low-cost accommodation (2 beds sharing room, total 40 beds) is also available for a limited number of young people, upon request based on a priority list. Thessaloniki has plenty of Hotels with reasonable prices upon early booking, like Metropolitan hotel (www.metropolitan.gr), Queen Olga Hotel (www.queenolga.gr) and many others in the heart of the city. The venue is direction to the airport and easily accessible.

Please be kind to declare your contribution in order to set the program, providing the following information by 15th of March at the latest to: cvorgias@biol.uoa.gr
